A QUAKER HOUGHTON COMPANY

PEELABLE COATINGS EXPERTS

SERVICE IS PART OF OUR FORMULA

THE GLOBAL SOLUTIONS LEADER IN AEROSPACE PEELABLE COATINGS TECHNOLOGY.

AC Products, Inc. provides a full line of peelable maskants to meet global environmental standards.

Our technologies include:

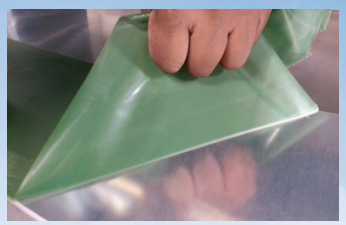
Solvent Based Coatings and Maskants

- Flammable
- Non-flammable
- USA Exempt (non-VOC, non HAP)

Water Based Coatings and Maskants

100% Solids Plural Component Coatings and Maskants

AC Products process solutions include: chemical milling, etching, anodizing, acid or caustic stripping, plating, black oxide, or powder coatings.



CONTRACT MANUFACTURING

Offered for:

- Resin Systems
- Coatings
- Adhesives

Our ISO 9001 facility's advanced manufacturing equipment is operated by expert technicians. Trust AC Products with manufacturing your proprietary formula to the highest quality standards.

AIRFRAMER *index*

SUBSCRIBING

This Airframer Index is one of a series of documents derived from the online database at www.airframer.com. It is updated every day.

An expanding series of these index reports about key aircraft programs and about specific aerospace supply chain sectors are available.

Subscribers can access all of the reports, while all visitors can download the reports which have been sponsored.

An individual subscription can be ordered by credit card from www.airframer.com/subscribe_front.html. A company subscription provides access for a number of concurrent users within a specified internet IP address range. More details are available by contacting Stephen Campbell on +44 (0)1279 714512 or stephen@airframer.com.

UPDATING

To advise us of additions, updates or corrections to the data included in this Index, please contact our research team on **+44 (0)1279 714517** or **research@airframer.com**.

Terms and conditions of use

The Airframer Index ("this Document") is a publication developed by Stansted News Limited ("SNL"). By downloading and reading the document you are deemed to have accepted these terms and conditions.

USE OF CONTENT: The services and information provided in this Document are for your personal, non commercial use only.

ACCURACY OF INFORMATION: Neither SNL nor any of its data providers or affiliates make any warranties expressed or implied, as to the accuracy, adequacy, quality or fitness for any particular purpose of the information or the services for a particular purpose or use and all such warranties are expressly excluded to the fullest extent that such warranties may be excluded by law.

INDEMNITY: You irrevocably indemnify SNL and its data providers and affiliates from and against any and all losses, damages and costs suffered or incurred by SNL, or any data providers or affiliates of whatsoever nature arising out of or in connection with your use, provision or distribution of information of any part of this Document or any part or otherwise howsoever arising in relation to any breach of these terms and conditions by you.

HYPERTEXT LINKS: This Document provides hypertext links to sites on the Internet which are operated by other people. SNL takes no responsibility for and gives no warranties, guarantees or representations in respect of linked sites.

INTELLECTUAL PROPERTY: All intellectual property rights (including copyright, patents, trade marks) whether registered or not in this Document shall remain the property of SNL and no customer or other person shall, or shall attempt to obtain any title to such rights. Information appearing in this Document is the copyright of SNL and must not be reproduced in any medium without licence. Users are permitted to copy some material for their personal use as private individuals only. Users must not republish any part of the data either on a website, or in any other medium, print, electronic or otherwise, or as part of any commercial service without the prior written permission of SNL.

ADVERTISING AND SPONSORSHIP: Parts of this Document contain advertising and sponsorship. Advertisers and sponsors are responsible for ensuring that material submitted for inclusion in this Document complies with all legal and regulatory requirements and does not contain any material which is objectionable including, without limit, information which is defamatory, obscene, threatening or untrue. SNL will not be responsible for any such material or any error or inaccuracy in advertising material.

LIABILITY: Due to the number of sources from which this Document obtains content and the nature of electronic distribution via the world wide web neither SNL nor any of its data providers nor affiliates shall have any liability (whether in contract or tort) for any losses, costs or damages resulting from or related to use of or inability to use any information contained in this Document or the provision of this Document to the fullest extent to which such liability may be excluded or avoided by law and in no event shall SNL be liable to you for lost profits or for indirect, incidental, special, punitive or consequential damages arising out of or in relation to the provision of information on this Document. SNL makes no warranty that this Document is free from infection by viruses or anything else that has contaminating or destructive properties.

JURISDICTION: These terms and conditions will be governed by the laws of England and Wales and the parties agree to submit to the exclusive jurisdiction of the English Courts.
